Our showroom at 17 King Street is now closed and we have successfully re-located to our new office, 'The Studio'. We are trading as normal.

Our website [www.interiors-knutsford.co.uk](http://www.interiors-knutsford.co.uk) incorporates information explaining exactly how we can work with you in achieving your aspirations in interior design. The site also shows items now available on line, or direct from 'The Studio', although we do advise you to call us first.

Our objectives as designers are, first and foremost, to gain your trust as a client, and to achieve outstanding results for you.
